Dear Sir,

Sub: Filing of web-Form CSR-2 for FY 2023-2024

Ref: Dow Chemical International Private Limited - CIN - U24239MH1998PTC113551

We, Dow Chemical International Private Limited ("Company" or "We" or "DCIPL"), wish to inform your good office that pursuant to the provisions of Section 135 of the Companies Act, 2013 read with the Companies (Accounts) Rules, 2014 (hereinafter referred as "Rules"), the Company has filed the report on Corporate Social Responsibility for the FY 2023-24 in web-form CSR-2.

Due to the nomenclature of the said form, few financial figures that should be auto-calculated in the web form CSR-2 are not getting populated, due to which we are unable to report the information with respect to amount carried forward from FY 2020-21 and set off during FY 2023-24 in the Form CSR-2.

In pursuance of Rule 7(3) of Companies (Corporate Social Responsibility Policy) Rules, 2014, the amount available for set off with the Company for the financial year ended 31 March 2021 is INR 52,047 as reported in the web form CSR-2 filed for the FY 2020-21 vide challan number F60016615 (*which can be carried forward for set off till FY 2023-24*). However, the same is not getting auto-populated in the web-form CSR-2 for the FY 2023-24 due to which we are not able to report the amount settled off against such excess spent during the FY 2023-24. We faced the same issue while filing the CSR-2 for FY 2022-23, and have enclosed the attached clarification letter for your reference.

In this regard, we would like to apprise you that the Company has a CSR obligation of INR 4,21,18,764 and has duly spent INR 4,04,87,861 towards CSR for the financial year 2023-24. Further, it has set off the following during the FY 2023-24:

1. INR 52,046.70 from the amount available for set off for FY 2020-21
2. INR 15,78,856.30 from the amount available for set off for FY 2021-22

However, since the amount available for set off for FY 2020-21 isn't getting auto-populated in Form CSR-2, we have shown the total amount of INR 16,30,903 (i.e., INR 15,78,856.30 + INR 52,046.70) as amount set off during the FY 2023-24 in point 4(d)(ii).

After set off, the Company has a total amount of INR 1,93,40,033.81 available for set off as follows:

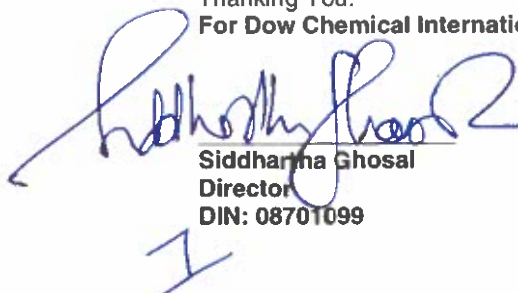

1. For FY 2021-22 – INR 1,61,34,567.81
2. For FY 2022-23 – INR 32,05,466.00

Therefore, we request your good office to consider the above and take the web-form CSR-2 for FY 2023-24 on record along with the amount available for set off as above.

We would be pleased to provide any additional information, if required.

Thanking You.

For Dow Chemical International Private Limited

Siddhartha Ghosal
Director
